Scan for Rates

When it comes to earning the highest rate for your hard-earned money, choosing a Qualstar Money Market account is one of the easiest decisions you'll ever make! If you typically keep a higher balance in your savings account, and want easy access to your funds while earning a higher dividend rate, a money market is the right account is for you.

Two options to make the most of your hard-earned money...

Money Market

Maintain a $1,000 minimum balance, with no additional account requirements.[1]

Premier Money Market

Receive a higher rate than our regular Money Market by enrolling in eStatements. If eStatements are disabled, the regular Money Market tier rate is earned for that period.[1] (Visit qualstarcu.com/rates-and-fees for current rates.)

Money Market Account Features & Benefits:

- Higher rates compared to our regular savings accounts, designed to make the most of your money
- No minimum balance to open a Money Market or Premier Money Market account; $1,000 minimum balance to earn dividends
- No term limitations - Unlike certificates, money market funds are always "liquid" and can be accessed at any time.
- Convenient access to your funds via Mobile* or Home Banking, phone, in person at a branch location, or by using optional pre-printed checks[2]
- No limit on the number of withdrawals, transfers, or check requests made in person or by mail. Up to six (6) pre-authorized automatic withdrawals per month (online or phone transfers, written check, or by ACH) with no fee[3]
