And it's all SECURE!

Our online services are backed by Multi-Factor Authentication, which keeps your account and personal information safe.

Enroll for access right from your mobile device.

Simply download the iPhone or Android app and choose "Enroll Here" from the log-in screen. Follow the steps to verify your account (primary member's info is used, an email is required on the account) and a verification code will be sent via text, email or voice call. Enter the code, verify your contact information, and then you'll have full access to both Mobile and Home Banking.

Don't have a smartphone? Use Home Banking via a web browser!

While Mobile Banking provides access to all our online services, many of these features are available via web browser. You will also have access to additional customization options for viewing your accounts, such as changing your background, adding colors to organize your accounts, and more. Log in to Home Banking, using the same username and password, via www.qualstarcu.com.

Members must be age 13 or above to access Mobile/Home Banking, and eStatements. Some account requirements apply for Bill Payer & Mobile Check Deposit eligibility (standard check holds apply.) A Checking account is required for Bill Payer access.

[1]SavvyMoney utilizes the TransUnion Vantage 3 score model. The score displayed in the Credit Score tool is for the primary member on the logged-in account only; joint member scores cannot be displayed. [2]Credit scores listed in Qualstar's Credit Score tool may differ from those used for approving loans. Offers featured do not represent a guaranteed loan approval. All loans are subject to credit approval based on the applicant's credit history.
